### Feast of St. Bridget

February 1st. Masses at 8:00am and 6:30pm with a reception to follow.

There is a long-standing **Epiphany tradition** of marking churches, homes, schools, and other buildings with a special 'holy formula' over the entryway using chalk that has been blessed for this purpose on **Epiphany**. This formula includes the current year along with the initials C, M, and B in the order shown below.

**20 + C + M + B + 19**

The **C**, **M**, and **B** are placed in between the numbers of the current year, with crosses in between each symbol. The three letters have two significations: the invocation *Christus Mansionem Benedicat* (Christ bless this house), as well as the first initial of the names of the three Magi: Caspar, Melchior, and Balthazar.
