Connecting the Psalm

In the Psalm for the **Feast of the Ascension**, we are given the image, ‘God mounts his throne amid shouts of joy.’ The Feast of the Ascension calls for joy, even though it marks a transition from Christ’s earthly ministry to his reign at the right hand of God. This transition ushers in a new time when Jesus, no longer limited in time and space, is present to us always and everywhere. How do you experience the risen Lord in your life? Can you cultivate even more joy in your relationships?
